# BOAT SALES

LAKELAND LEISURE ESTATES

## Description

Introducing our Brand New 2024 62ft Cruiser Stern – a luxurious, meticulously designed narrowboat built for those seeking style, comfort, and adventure on the waterways. Crafted by Collingwood Boat Builders, this spacious 4-berth vessel features a highly sought-after reverse layout, an upgraded 42hp engine, and bow thrusters for precision handling. Its sleek midnight blue and white exterior, paired with a gracefully rounded stern, captures the beauty of classic boating with a modern touch. Plush, upholstered seating on the stern deck creates a comfortable social space perfect for enjoying scenic views in ultimate style.

The heart of the boat is its premium galley, equipped with top-of-the-line appliances and ample storage. The Thetford eye-level oven with a separate grill and 4-burner hob allows for versatile cooking, while the integrated Bosch microwave and Shoreline fridge with freezer compartment provide all the conveniences of a modern kitchen. A built-in Candy washer/dryer ensures ease for extended trips. The stunning white quartz countertops are both durable and elegant, complemented by the stainless-steel sink with sleek mixer taps. Generously sized cabinets and drawers keep the galley tidy and organised.

The spacious, open-plan saloon is designed for relaxation and entertainment. A raised Morso solid-fuel stove provides warmth and ambiance, while a media unit with an LG Smart TV offers entertainment at your fingertips. The saloon provides ample space for free-standing chairs or a cosy 3-seater sofa, allowing you to personalise the space. Additional built-in storage ensures that everything has its place, creating a clean, inviting area to unwind or entertain.

The beautifully crafted L-shaped dinette is more than a dining area; it's a multifunctional space that transforms into a comfortable double bed when needed. This feature offers added sleeping accommodation for guests while also providing concealed storage beneath, ideal for stowing away essentials without compromising on comfort or aesthetics.

The well-appointed bedroom features a full-size 4'6" cross bed that can be split 70/30, with the smaller portion stowed easily under the gunwale when not in use. It includes two bedside tables, a double mirrored wardrobe, a single wardrobe, and two high-level storage cupboards, providing plenty of space for clothing and personal belongings. Additional storage under the bed and in a low-level corner cupboard make it easy to keep the room organized. Glazed double doors open from the bedroom onto a generous well deck, providing a beautiful view and easy access to the outdoors.

The walk-through bathroom is both luxurious and functional, featuring a large quadrant shower for refreshing convenience. A raised ceramic wash basin sits atop a quartz vanity, enhancing the room's sophisticated look, while the Thetford cassette toilet provides reliable functionality. Storage in this space is ample, allowing toiletries and essentials to be neatly tucked away.

This 62ft cruiser is a floating home, artfully designed for those who desire the freedom of the waterways without compromising on comfort or style. With thoughtfully crafted spaces, state-of-the-art features, and a layout that maximises both privacy and social spaces, this cruiser is ready to offer you an unparalleled experience on the water.
