Alchemy - Widebeam

Price: £115,000

Key Features

Berths:	3
Length & Type:	60ft x 10ft Widebeam
Year:	2008

Description

Built in 2008 by Liverpool Boats, Alchemy is a testament to craftsmanship and comfort on the water. With its spacious layout spanning from stern to bow, this vessel offers an inviting retreat for voyagers seeking both adventure and relaxation.

At the heart of Alchemy lies its robust Isuzu 70Hp engine, coupled with a PRM 260 Hydraulic Gearbox, ensuring smooth and reliable navigation through every waterway. The hull, meticulously constructed with a thickness of 10 / 6 / 5, promises durability and stability, weathering the elements with ease.

Stepping aboard, guests are welcomed onto the cruiser stern deck, where leisurely evenings are spent gazing out onto the tranquil waters. Moving through the interior, through the saloon to the galley which beckons with its U-shaped layout, equipped with modern amenities including a Smeg combi double oven, 4-burner hob, and integrated fridge with freezer box. Natural light streams in through the side hatch, illuminating the stainless steel sink and ample storage space, inviting culinary creations to come to life.

Adjacent to the galley, the bathroom offers a sanctuary of relaxation, featuring a double-sized shower cubicle, ceramic Thetford cassette toilet, and heated towel rail. A fold-away bath provides an indulgent escape after a day of exploration.

As night falls, retreat to the main bedroom, where a full-size double bed awaits, complemented by a large wardrobe and storage solutions. The second bedroom, thoughtfully designed with wall-to-wall cupboards, offers versatility for guests or additional storage needs.

Throughout Alchemy, thoughtful details abound, from the solid oak plank flooring to the cosy warmth of the Morso Badger Multi-Fuel Stove. With its blend of comfort and functionality, Alchemy invites adventurers to embark on unforgettable journeys along the waterways, where every moment is infused with the magic of the maritime lifestyle.
