Argy - Widebeam

Price: £89,950

Key Features

Berths:	2
Length:	60ft
Year:	2012

Description

Step aboard Argy, a meticulously designed 60ft widebeam Dutch barge replica built by Lambon in 2012. With its timeless appeal and modern amenities, Argy offers a unique blend of style and practicality, perfect for those seeking a refined life on the water. This 2-berth vessel features a thoughtful open-plan layout that creates a seamless flow from the galley to the saloon, ensuring a spacious and inviting living environment.

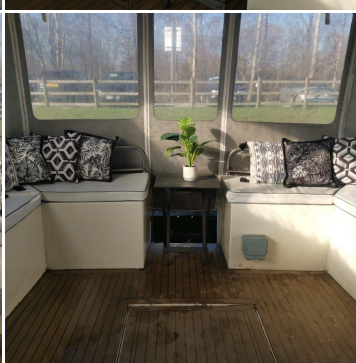

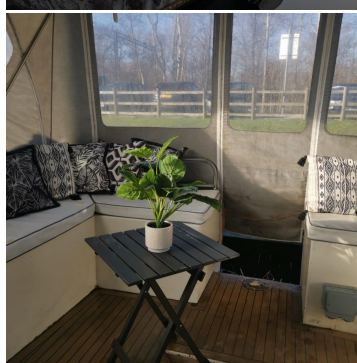

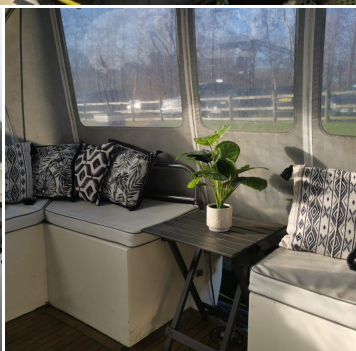

The galley is both functional and stylish, equipped with under-counter cupboards for ample storage, an eye-level oven for convenient cooking, and a pull-out fridge-freezer tucked neatly beneath the oven. A sleek wine cooler adds a touch of sophistication, while the sink with a drainer completes the kitchen, making it a space where meal preparation becomes a pleasure.

The saloon exudes warmth and comfort, thanks to its Reflex diesel stove, which creates a cosy ambiance. Cleverly designed sliding cupboards and shelving provide generous storage without compromising space. A wall-mounted TV bracket and a radiator make this area ideal for both relaxation and entertainment, offering a perfect spot to unwind after a day of cruising or exploring.

The master bedroom is a serene retreat, designed with both beauty and functionality in mind. Fitted wardrobes and drawers provide ample storage, while sliding cupboards offer additional space for belongings. The elegant bow doors not only enhance the room's aesthetics but also provide easy access to the deck, offering stunning views and a direct connection to the outdoors.

The bathroom is a luxurious highlight, featuring a double shower for a spa-like experience, his-and-hers sinks with mirrors above, and a practical cassette toilet. Tiled flooring adds durability and style, while a towel radiator ensures cosy warmth and comfort.

Built by Lambon, with a Barrus Shire engine and gearbox, Argy is as reliable as it is beautiful. Its layout, flowing from stern to bow with a galley, saloon, bathroom, and master bedroom, maximizes space and functionality. Whether you're looking for a full-time home or a peaceful escape, Argy promises a lifestyle of elegance and ease, ready to take you on your next adventure.
