# BOAT SALES

LAKELAND LEISURE ESTATES

## Description

Jean K L is a beautifully crafted 40ft cruiser stern narrowboat, built in 2002 by MCC Boat Builders. Designed with a sought-after reverse layout, this boat seamlessly blends practicality with style, offering a bright and modern living space that feels both spacious and inviting. The open-plan kitchen and lounge create a welcoming environment, enhanced by oak flooring and worktops that add warmth and character. A stainless steel water tank ensures durability, while optional mirrored secondary glazing provides additional insulation and privacy.

Stepping into the galley, you'll find a well-appointed kitchen designed for both convenience and efficiency. The oak worktops provide ample preparation space, complemented by a 2-ring gas hob and an under-counter Montpellier fridge-freezer, perfect for storing fresh ingredients. A sink with drainer completes the space, making meal prep and clean-up effortless.

The lounge area is a cosy retreat, featuring a fitted 3-seater sofa with built-in storage underneath, maximizing space without compromising comfort. A multi-fuel stove sits at the heart of the living area, offering warmth and ambiance, making it an ideal spot to relax on cooler evenings. The light-coloured interior enhances the sense of openness, creating a fresh and airy feel throughout.

Moving towards the bedroom, versatility is key. The fully fitted dinette serves as both a comfortable dining area and a convertible double bed, allowing for seamless transitions between day and night. Whether enjoying a meal or settling in for a restful sleep, this cleverly designed space ensures functionality without sacrificing comfort.

The bathroom is thoughtfully designed with a full-size shower, enclosed by a mirrored door that adds a touch of elegance while enhancing the feeling of space. A separate cassette toilet ensures practicality, making onboard living both simple and efficient.

With its clean, crisp aesthetic and carefully designed layout, Jean K L is the perfect blend of form and function. Whether you're looking for a compact liveaboard or a stylish weekend cruiser, this 40ft narrowboat offers a charming and comfortable escape on the water.
