BOAT SALES

LAKELAND LEISURE ESTATES

Description

Step aboard Owl, a beautifully preserved 60ft narrowboat that embodies the charm and character of traditional canal life. Built in 1984, this three-berth vessel offers an authentic experience with its rich wooden interior, hand-painted roses and castles, and artistic flourishes throughout. From the warm glow of its stoves to the thoughtfully designed living spaces, Owl is a true retreat for those seeking comfort, nostalgia, and a slower pace of life on the water.

As you enter the galley, you'll find a space designed for both practicality and charm. The wooden cabinetry provides ample storage, while open shelving keeps essentials within easy reach. Cooking aboard is a pleasure, thanks to the Vanette four-burner gas hob, Thetford duplex oven and grill, and Paloma gas hot water heater, ensuring a warm meal is never far away. A fridge with a freezer compartment keeps perishables fresh, while the sink and drainer make cleanup effortless. Soft carpeting underfoot adds a touch of warmth, making the galley as inviting as it is functional.

Moving into the lounge, a cosy atmosphere welcomes you. Two comfortable leather chairs provide the perfect spot to unwind, surrounded by wooden shelving and a corner cupboard for books and keepsakes. The heart of this space is the Clarke multi-fuel stove, radiating warmth and casting flickering shadows against the wood-panelled walls. The combination of traditional craftsmanship and homely furnishings makes this the ideal space to relax with a good book or watch the world drift by.

The boatman's cabin is a masterpiece of heritage and artistry, evoking the golden age of narrowboating. The Epping stove adds a rustic charm while providing additional warmth on cooler nights. Every inch of this space is adorned with the iconic painted roses and castles, a testament to the boat's history and craftsmanship. The scumbled woodwork enhances the traditional aesthetic, while clever storage solutions make the most of the space.

The master bedroom is a tranquil retreat, featuring a fixed double bed with storage underneath, a wardrobe, and additional shelving for personal belongings. Soft reading lights add a cosy glow, making it the perfect space to unwind at the end of the day. The thoughtful use of storage ensures that every inch of the cabin is functional while maintaining an open and inviting feel.

Completing the layout is the bathroom, a well-appointed space that balances practicality and comfort. A shower provides modern convenience, while the Porta Potti cassette toilet ensures ease of use. The sink unit with storage beneath offers space for toiletries, and a mirror reflects the soft lighting, adding to the sense of space.

With its rich history, carefully preserved details, and thoughtful layout, Owl is more than just a narrowboat—it's a floating work of art. Whether moored in a quiet countryside setting or cruising along scenic waterways, this vessel offers a truly immersive experience in traditional canal living.
